Student Access to RM Portico

RM Portico provides pupils with remote access to files. Students can access their ‘My Documents’ folder, and their relevant shared areas from any internet connected device. It works on a wide range of internet browsers and operating systems, and can even be used on handheld devices like tablets and smart phones. Accessing RM Portico from home is easy, see below:

Step one select RM portico portal from the Biggar High School website

Step two enter username and password (school username and password)

Students will now have access to their ‘Documents’ folder and ‘Shared Area’ see overleaf:
