Student Union: Meeting minutes **14.02.25**

AGENDA ITEM:

Football tournament: waiting for a teacher to take it

Lunch tables and chairs: Mr Stewart noted that one table and chairs are to be purchased/ returned to the canteen after repairs.

Paper towels: instead has now been implemented in girls bathroom but not in boys

Mr Stewart is now opening bathrooms but doesn't know what periods. Are there set times when toilets are closed?

Cups at water dispenser: pupils would like to see these back.

Junior summer dance: student union members need to speak to Ms Robison about this. Mr Stewart noted a good idea for SU development/ project. Need a teacher to lead (Speak to Ms Robison?)

More dress down days: SU discussed the issue of pupil security and how this is provided with school uniforms. Also, we often do dress down days as a way of raising money for charities- and we need to be mindful of asking pupils and families to donate too often to charities.
