No.	Agenda Item (s)	Key QI's	Discussion	Action Points
1.	**Learning and Teaching**		ways to learn: supported study for Technical and Social Sciences	Speak to Technical subject teachers and Ms Gibney
2.	**Happiness of the Child**		UCAS Seniors would like an increase in school trips A wellbeing day/s for seniors; to help with exam stress; how to study; Buddy's	Speak to all senior pupils about UCAS- share an announcement on google noticeboards? Could there be another/ more UCAS training days? Pupils need to speak to subject teachers about the possibility of subject/ faculty trips. Bring in mental health stuff for seniors, Puppies/ thera-pet? Taking place in January? Could more therapeutic activities take place during PSE? Pupils believe this support should/ could be a mandatory part of HWB/ self-care. They discussed the fact that the existing one was not mandatory but optional. Pupils had a discussion about their awareness of different clubs, and awareness of wider school pupils' awareness.

3.	**Raising Attainment differentiation**		Exam preparation support, further help with questions, how can these be answered. Further 1-1 support	Exam training course for seniors.
4.	**Other items**		**NEWSLETTER**	Ideas from seniors: Mr Stewart could read out main points from the newsletter once a week using virtual/ PowerPoint assembly? Pupils noted that they enjoyed engaging with these assembly style presentations from Mr Stewart. The newsletter could be put up in the senior common room for seniors to browse through. Could the newsletter be split into year groups or BGE/ senior phase newsletters.
